To Whom It May Concern:

This letter is to verify that Christian Walsh, Yifu Li, and Boyuan Yang are students in good standing currently enrolled in the Conservatory of Motion Pictures at the Dodge College of Film and Media Arts at Chapman University. They are working on a required project for FP 599-Individual Study with Professor Andy Lane. This project, titled ***After***, scheduled to shoot August 6th.

The Conservatory of Motion Pictures at the Dodge College of Film and Media Arts is an accredited graduate film school that enables students to successfully conquer the challenges and expectations of the film and television profession. In recent years, our reputation as a preeminent film school in the world has grown because of the quality of students we accept and the successes of the films they make. These film projects would not be possible without the generous support from members of our community.

Thank you in advance for your assistance with this production. If you need any further information, do not hesitate to contact me.

Sincerely,

Timothy Durban
